National Health Service (Mandate Requirements) Regulations 2017 Lord Hunt of Kings Heath to move that a Humble Address be presented to Her Majesty praying that the National Health Service (Mandate Requirements) Regulations 2017, laid before the House on 20 March, be annulled on the grounds that the Regulations, and the associated Mandate to NHS England, do not require that in 2017–18 NHS England meets its obligation to ensure that 92 per cent of patients are treated within 18 weeks of referral; and that failure to meet this target is a breach of the rights of patients outlined in the NHS Constitution and of the statutory requirement laid out in the National Health Service Commissioning Board and Clinical Commissioning Groups (Responsibilities and Standing Rules) Regulations 2012; and calls on Her Majesty's Government to publish the advice they have received on the legality of their actions (SI 2017/445).
