### *Dinner Break Business*

**Lord Hunt of Kings Heath to move that this House regrets that the National Health Service (Mandate Requirements) Regulations 2017, and the associated Mandate to NHS England, do not require that in 2017–18 NHS England meets its obligation to ensure that 92 per cent of patients are treated within 18 weeks of referral; believes that failure to meet this target is a breach of the rights of patients outlined in the NHS Constitution and of the statutory requirement laid out in the National Health Service Commissioning Board and Clinical Commissioning Groups (Responsibilities and Standing Rules) Regulations 2012; and calls on Her Majesty’s Government to publish the advice they have received on the legality of their actions (SI 2017/445).**

### *Estimated Rising Time*

The House is expected to rise at 10.00pm

---

### *Notes:*

- *This document sets out the matters for the day’s business which the Government Whips’ Office coordinates: Speakers’ Lists (Companion 4.26), ministerial statements (Companion 6.02) and the grouping of amendments (Companion 8.70). It is not the formal order paper, which is produced by the Clerk of the Parliaments and is available from the Printed Paper Office and [www.parliament.uk/lords](http://www.parliament.uk/lords)*
- *Time estimates are best endeavours: there is no certainty other than for formally time-limited business. It is the duty of individual members to observe the rules on attendance at debate (Companion 4.32) and, in particular, to ensure that they are present for the start of business in which they wish to take part.*
- *The number of sessions shown for a stage of a bill represents the Government’s assessment of reasonable time given the balance of bills and remaining days to the likely end of the session. Progress remains in the hands of the House. Report stage is usually half the length of Committee.*
- *The grouping of amendments is informal. Although every effort is made to secure agreement to groupings, any peer may speak to an amendment in its place on the Marshalled List. “g” before an amendment indicates a Government amendment.*
