The Earl of Lytton to move that this House regrets that the Non-Domestic Rating (Alteration of Lists and Appeals) (England) (Amendment) Regulations 2017 and the Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) (Amendment) Regulations 2017 have been introduced without adequate regard for the concerns of experts in rating appeals, following incomplete testing, and on a truncated timescale (SI 2017/155 and SI 2017/156). 30th Report from the Secondary Legislation Scrutiny Committee, Session 2016–17.

Estimated Rising Time

The House is expected to rise at 10.00pm

Notes:

- *This document sets out the matters for the day's business which the Government Whips' Office coordinates: Speakers' Lists (Companion 4.26), ministerial statements (Companion 6.02) and the grouping of amendments (Companion 8.70). It is not the formal order paper, which is produced by the Clerk of the Parliaments and is available from the Printed Paper Office and www.parliament.uk/lords*
- *Time estimates are best endeavours: there is no certainty other than for formally time-limited business. It is the duty of individual members to observe the rules on attendance at debate (Companion 4.32) and, in particular, to ensure that they are present for the start of business in which they wish to take part.*
- *The number of sessions shown for a stage of a bill represents the Government's assessment of reasonable time given the balance of bills and remaining days to the likely end of the session. Progress remains in the hands of the House. Report stage is usually half the length of Committee.*
- *The grouping of amendments is informal. Although every effort is made to secure agreement to groupings, any peer may speak to an amendment in its place on the Marshalled List. "g" before an amendment indicates a Government amendment.*
