The following two motions are expected to be debated together:

†**Brexit: Withdrawal Agreement and Political Declaration** Adjourned debate on the motion of Lord Callanan that this House, for the purposes of section 13(1)(c) of the European Union (Withdrawal) Act 2018, takes note of the negotiated withdrawal agreement laid before the House on Monday 26 November 2018 with the title '*Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community*' and the framework for the future relationship laid before the House on Monday 26 November 2018 with the title '*Political Declaration setting out the framework for the future relationship between the European Union and the United Kingdom*'. *24th Report from the European Union Committee*

†**Baroness Smith of Basildon** to move that this House, while noting that it is for the House of Commons to determine the matter, considers that a no deal outcome to negotiations under Article 50(2) of the Treaty on European Union must be emphatically rejected, and regrets that withdrawal from the European Union on the terms set out in the Withdrawal Agreement and Political Declaration laid before Parliament would damage the future economic prosperity, internal security and global influence of the United Kingdom.
