Oral Statement Repeat

At a convenient point after 6.00pm Baroness Evans of Bowes Park will repeat a statement entitled 'Leaving the European Union'.

Main Business

The following two motions are expected to be debated together:

Brexit: Withdrawal Agreement and Political Declaration adjourned debate on the motion of Lord Callanan to that this House, for the purposes of section 13(1)(c) of the European Union (Withdrawal) Act 2018, takes note of the negotiated withdrawal agreement laid before the House on Monday 26 November 2018 with the title '*Agreement on the withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community*' and the framework for the future relationship laid before the House on Monday 26 November 2018 with the title '*Political Declaration setting out the framework for the future relationship between the European Union and the United Kingdom*'. 24th Report from the European Union Committee

Baroness Smith of Basildon to move that this House, while noting that it is for the House of Commons to determine the matter, considers that a no deal outcome to negotiations under Article 50(2) of the Treaty on European Union must be emphatically rejected, and regrets that withdrawal from the European Union on the terms set out in the Withdrawal Agreement and Political Declaration laid

before Parliament would damage the future economic prosperity, internal security and global influence of the United Kingdom.

Notes:

- *This document sets out the matters for the day's business which the Government Whips' Office coordinates: Speakers' Lists (Companion 4.26), ministerial statements (Companion 6.02) and the grouping of amendments (Companion 8.70). It is not the formal order paper, which is produced by the Clerk of the Parliaments and is available from the Printed Paper Office and www.parliament.uk/lords*
- *Time estimates are best endeavours: there is no certainty other than for formally time-limited business. It is the duty of individual members to observe the rules on attendance at debate (Companion 4.32) and, in particular, to ensure that they are present for the start of business in which they wish to take part.*
- *Speaking in debates (Companion 4.34): A member of the House who is taking part in a debate (including general debates and debates on amendments or motions) should attend the start, end and greater part of that debate. In addition, it is considered discourteous for members not to be present for at least the opening speeches, the speeches before and after their own, and for the winding-up speeches. Ministers may decide not to answer, orally or in writing, points made by a speaker who does not stay to hear the Minister's closing speech. Members who believe that they are unlikely to be able to stay until the end of a debate should not seek to participate in it (and if the debate has a speakers' list, should remove their names from the list).*
