Motions Relating to Delegated Legislation

Lord Marks of Henley-on-Thames to move that this House regrets that the Civil Procedure (Amendment) Rules 2017 have been laid with insufficient regard to the overwhelmingly negative response to the proposed Rules during the consultation and to the lack of evidence that significant numbers of unmeritorious environmental claims are currently brought; that they may escalate claimants' legal costs and act against the intention of the Aarhus Convention that the cost of environmental litigation should not be prohibitive; and that they are likely to have the effect of deterring claimants from bringing meritorious environmental cases (SI 2017/95 (L. 1)). *25th Report from the Secondary Legislation Scrutiny Committee, Session 2016-17*

Lord Kirkwood of Kirkhope to move that this House regrets that the Universal Credit (Housing Costs Element for Claimants Aged 18 to 21) (Amendment) Regulations 2017 have been published without the guidance which will be key to understanding how the legislation will work in practice (SI 2017/252). *28th Report from the Secondary Legislation Scrutiny Committee, Session 2016-17*

The Earl of Lytton to move that this House regrets that the Non-Domestic Rating (Alteration of Lists and Appeals) (England) (Amendment) Regulations 2017 and the Valuation Tribunal for England (Council Tax and Rating Appeals) (Procedure) (Amendment) Regulations 2017 have been introduced without adequate regard for the concerns of experts in rating appeals, following incomplete testing and on a truncated timescale (SI 2017/155 and SI 2017/156). *30th Report from the Secondary Legislation Scrutiny Committee, Session 2016-17*

National Health Service (Mandate Requirements) Regulations 2017 Lord Hunt of Kings Heath to move that a Humble Address be presented to Her Majesty praying that the National Health Service (Mandate Requirements) Regulations 2017, laid before the House on 20 March, be annulled on the grounds that the Regulations, and the associated Mandate to NHS England, do not require that in 2017–18 NHS England meets its obligation to ensure that 92 per cent of patients are treated within 18 weeks of referral; and that failure to meet this target is a breach of the rights of patients outlined in the NHS Constitution and of the statutory requirement laid out in the National Health Service Commissioning Board and Clinical Commissioning Groups (Responsibilities and Standing Rules) Regulations 2012; and calls on Her Majesty's Government to publish the advice they have received on the legality of their actions (SI 2017/445).
