10 **National Health Service Commissioning Board and Clinical Commissioning Groups (Responsibilities and Standing Rules) (Amendment) Regulations 2019** Baroness Thornton moved that this House regrets that the National Health Service Commissioning Board and Clinical Commissioning Groups (Responsibilities and Standing Rules) (Amendment) Regulations 2019, in the rate increase that the National Health Service pays to care homes to cover the costs of services, include an unrealistic “efficiency expectation” of 3.1 per cent that may lead to further shortfalls in social care funding; and further regrets that Her Majesty’s Government still do not have a long-term funding package for social care, which is urgently needed to alleviate financial instability in the care home sector (SI 2019/789). After debate, the motion was withdrawn.

The House adjourned at 7.43pm until Tuesday 11 June at 2.30pm.

Ed Ollard
Clerk of the Parliaments
