Motions Relating to Delegated Legislation

Lord Rosser to move that this House regrets that the Accreditation of Forensic Service Providers (Amendment) Regulations 2019 (SI 2019/1384) may inappropriately implement European Union legislation; notes concerns that the process may no longer meet the International Organization for Standardization standard and that United Kingdom courts may not accept evidence obtained under the new arrangement; and therefore calls on Her Majesty's Government to withdraw the Regulations until these issues have been addressed. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 1st Report*

Baroness Thornton to move that this House regrets that the National Health Service (General Dental Services Contracts and Personal Dental Services Agreements) (Amendment) Regulations 2019 (SI 2019/1445) further extends the piloting of the remuneration scheme for National Health Service dentists; further regrets that after eight years of pilots Her Majesty's Government still feels they have insufficient information; and calls on the Government to conclude the pilot by March 2022. *2nd Report from the Secondary Legislation Scrutiny Committee*

Lord Hunt of Kings Heath to move that this House regrets that the Health Protection (Coronavirus, International Travel) (England) Regulations 2020 (SI 2020/568) have been laid without making available to Parliament the advice from the Scientific Advisory Group for Emergencies used to inform the development of those Regulations. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 18th Report*

Lord Falconer of Thoroton to move that this House regrets that the Prosecution of Offences (Custody Time Limits) (Coronavirus) (Amendment) Regulations 2020 do not provide sufficient measures to address the backlog of Crown Court trials; and that this House agrees with the conclusion of the 27th Report of the Secondary Legislation Scrutiny Committee which states that the extension of remand periods "delays justice for both the defendant and the victim and may add to the difficulties that prisons are facing during the pandemic. Lord Forsyth of Drumlean to move that a Humble Address be presented to Her Majesty praying that the Social Security Contributions (Intermediaries) (Miscellaneous Amendments) Regulations 2020 (SI 2020/1220), laid before the House on 6 November, be annulled on the grounds that the regulations do not reflect the guidance given by Her Majesty's Revenue and Customs, and could result in National Insurance contributions being miscalculated and applied to payments that should not attract a National Insurance charge. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 35th Report*

Earl Attlee to move that this House regrets that the Road Vehicles (Construction and Use) (Amendment) Regulations 2020 (SI 2020/1178) have no business case because very few commercial operators use unsuitable tyres on a front steering axle and for private operators, and that the cost of compliance with the Regulations would be comparable to the annual cost of insurance of the relevant vehicle. *33rd Report from the Secondary Legislation Scrutiny Committee*
