Motions Relating to Delegated Legislation

Lord Rosser to move that this House regrets that the Accreditation of Forensic Service Providers (Amendment) Regulations 2019 (SI 2019/1384) may inappropriately implement European Union legislation; notes concerns that the process may no longer meet the International Organization for Standardization standard and that United Kingdom courts may not accept evidence obtained under the new arrangement; and therefore calls on Her Majesty's Government to withdraw the Regulations until these issues have been addressed. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 1st Report*

Lord Hunt of Kings Heath to move that this House regrets that the Health Protection (Coronavirus, International Travel) (England) Regulations 2020 (SI 2020/568) have been laid without making available to Parliament the advice from the Scientific Advisory Group for Emergencies used to inform the development of those Regulations. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 18th Report*

Lord Falconer of Thoroton to move that this House regrets that the Prosecution of Offences (Custody Time Limits) (Coronavirus) (Amendment) Regulations 2020 do not provide sufficient measures to address the backlog of Crown Court trials; and that this House agrees with the conclusion of the 27th Report of the Secondary Legislation Scrutiny Committee which states that the extension of remand periods "delays justice for both the defendant and the victim and may add to the difficulties that prisons are facing during the pandemic. Lord Berkeley to move that this House regrets that the Clean Air Zones Central Services (Fees) (England) Regulations 2020 (SI 2020/1444), in providing for a fixed transaction charge of £2 for local authorities, and in failing to allow local authorities to set charges for vehicles which do not comply with the requirements of Clean Air Zones, do not provide sufficient incentives for local authorities to introduce these charges. *40th Report from the Secondary Legislation Scrutiny Committee*
