Motions Relating to Delegated Legislation

Lord Rosser to move that this House regrets that the Accreditation of Forensic Service Providers (Amendment) Regulations 2019 (SI 2019/1384) may inappropriately implement European Union legislation; notes concerns that the process may no longer meet the International Organization for Standardization standard and that United Kingdom courts may not accept evidence obtained under the new arrangement; and therefore calls on Her Majesty's Government to withdraw the Regulations until these issues have been addressed. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 1st Report*

Baroness Thornton to move that this House regrets that the National Health Service (General Dental Services Contracts and Personal Dental Services Agreements) (Amendment) Regulations 2019 (SI 2019/1445) further extends the piloting of the remuneration scheme for National Health Service dentists; further regrets that after eight years of pilots Her Majesty's Government still feels they have insufficient information; and calls on the Government to conclude the pilot by March 2022. *2nd Report from the Secondary Legislation Scrutiny Committee*

Lord Rosser to move that this House takes note of the Health Protection (Coronavirus, Public Health Information for Passengers Travelling to England) Regulations 2020 (SI 2020/567) and the Health Protection (Coronavirus, International Travel) (England) Regulations 2020 (SI 2020/568). *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 18th Report*

Lord Hunt of Kings Heath to move that this House regrets that the Health Protection (Coronavirus, International Travel) (England) Regulations 2020 (SI 2020/568) have been laid without making available to Parliament the advice from the Scientific Advisory Group for Emergencies used to inform the development of those Regulations. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 18th Report*

Lord Falconer of Thoroton to move that this House regrets that the Prosecution of Offences (Custody Time Limits) (Coronavirus) (Amendment) Regulations 2020 do not provide sufficient measures to address the backlog of Crown Court trials; and that this House agrees with the conclusion of the 27th Report of the Secondary Legislation Scrutiny Committee which states that the extension of remand periods "delays justice for both the defendant and the victim and may add to the difficulties that prisons are facing during the pandemic. Extending remand can have extremely detrimental effects on the mental health of the individual and on the welfare of their families". *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 27th Report*

Lord Foster of Bath to move that this House takes note of the Audiovisual Media Services Regulations 2020 (SI 2020/1062). *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 30th Report*

Lord Green of Deddington to move that this House regrets that the Statement of changes in Immigration Rules, published on 22 October 2020, does not provide a clear and comprehensible description of the changes proposed, nor of their likely effect. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 33rd Report*

Earl Attlee to move that this House regrets that the Road Vehicles (Construction and Use) (Amendment) Regulations 2020 (SI 2020/1178) have no business case because very few commercial operators use unsuitable tyres on a front steering axle and for private operators, and that the cost of compliance with the Regulations would be comparable to the annual cost of insurance of the relevant vehicle. *33rd Report from the Secondary Legislation Scrutiny Committee*

Lord Green of Deddington to move that this House regrets that the Statement of Changes in Immigration Rules (HC1043), published on 10 December 2020, does not permit a clear understanding of (1) the policy objective, and (2) the intended implementation, of the changes being made to the Rules. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 40th Report*

Baroness Randerson to move that this House regrets that the Drivers' Hours and Tachographs (Temporary Exceptions) Regulations 2021 (SI 2021/58) will have a detrimental impact on heavy goods vehicle drivers and the hours they will be required to work, and does not provide clarity for such drivers on how the temporary exemptions to requirements for rest breaks will operate. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 44th Report*

Lord Berkeley to move that this House regrets that the Drivers' Hours and Tachographs (Temporary Exceptions) Regulations 2021 (SI 2021/58) will allow the continuation of relaxed restrictions on the normal rules on heavy goods vehicles drivers' hours without evidence having been provided of the need for such a continuation or of its effect on road safety. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 44th Report*

Baroness Jones of Whitchurch to move that this House regrets that the Heather and Grass etc. Burning (England) Regulations 2021 (SI 2021/158) do not provide a basis for significantly reducing the amount of peatland burning that occurs in England, in part because the restrictions extend only to certain areas of deep peat; notes that while there are appropriate uses of peat burning, the protection of peatland ecosystems should be prioritised to provide a haven for wildlife, the safe storage of carbon, and the prevention of natural catastrophes such as flooding and wildfires; and therefore calls on Her Majesty's Government to reconsider its approach to restricting the burning of peatland ahead of the season's commencement on 1 October. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 47th Report.*

Baroness Thornton to move that, while welcoming the Health Protection (Coronavirus, International Travel) (England) (Amendment) (No. 7) Regulations 2021, this House regrets that they were not laid until 15 February despite the warning from the Scientific Advisory Group for Emergencies on 21 January that "reactive, geographically targeted" travel bans "cannot be relied upon to stop importation of new variants" of COVID-19; further regrets that Her Majesty's Government failed to prevent the Brazilian strain of COVID-19 entering the United Kingdom; further regrets that the policy only applies to 33 "red list" countries and that 99 per cent of passengers arriving in the United Kingdom are therefore exempt; and calls upon Her Majesty's Government to implement a comprehensive hotel quarantine on all United Kingdom arrivals to prevent the importation of new variants of COVID-19. *46th Report from the Secondary Legislation Scrutiny Committee*

†**Baroness Hodgson of Abinger** to move that this House regrets that the Traffic Signs (Coronavirus) (Amendment) (England) Regulations 2021 (SI 2021/75) enable the continuation of e-scooter trials during the COVID-19 pandemic; further regrets the risk that any such trials which are undertaken while restrictions are in place to address that pandemic may not be reliable indicators of the safety of e-scooters; and calls on Her Majesty's Government to publish their plans to address the illegal use of such scooters before any further such trials take place. *45th Report from the Secondary Legislation Scrutiny Committee*
