***Lord Hunt of Kings Heath** to ask Her Majesty's Government what assessment they have made of the (1) credibility, and (2) integrity, of the assessment processes in schools for this summer's A levels and GCSE examinations.

***Baroness Thornton** to ask Her Majesty's Government, further to the decision to delay the planned new guidelines on the diagnosis and management of ME/CFS, what assessment they have made of the ability of the National Institute for Health and Care Excellence to carry out its functions; and when they expect such guidance to be published.

***Baroness Sugg** to ask Her Majesty's Government what plans they have to seek to use the Health and Care Bill to fulfil their commitment to make virginity testing illegal.

***Lord Brooke of Alverthorpe** to ask Her Majesty's Government what assessment they have made of the data analysis by Diabetes UK, published on 6 October, which suggests that one in three adults in the United Kingdom could be at increased risk of developing type 2 diabetes by 2030.

†**Skills and Post-16 Education Bill [HL]** Report [Baroness Barran]

Baroness D'Souza to move that this House regrets that the Regulation of Investigatory Powers (Criminal Conduct Authorisations) (Amendment) Order 2021 (SI 2021/601) does not provide adequate safeguards on the actions of covert agents, as the Covert Human Intelligence Sources (Criminal Conduct) Act 2021 failed to include express limits on the crimes covert agents can commit; and calls on Her Majesty's Government to amend the Act to provide proper limits on, and oversight of, crimes committed by covert agents. *4th Report from the Secondary Legislation Scrutiny Committee (Dinner break business)*
