## Motions Relating to Delegated Legislation

**Baroness Randerson** to move that this House regrets that the Subsidy Control (Information-Gathering Powers) (Modification) Regulations 2022 (SI 2022/1152) remove important requirements to consult the devolved governments in relation to subsidy control policy and undermine a United Kingdom wide approach to the regulation of subsidies. *19th Report from the Secondary Legislation Scrutiny Committee*

**Lord Allan of Hallam** to move that this House regrets that the Communications Act 2003 (Restrictions on the Advertising of Less Healthy Food) (Effective Date) (Amendment) Regulations 2022 (SI 2022/1311) will delay for 33 months, until 1 October 2025, the implementation of the ban on advertising less healthy foods and drinks before the 9pm watershed on television, on radio and on online media. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 24th Report*

**Baroness Chapman of Darlington** to move that this House regrets that the data supporting the Education (School Teachers' Qualifications and Induction Arrangements) (Amendment) (England) Regulations 2022 (SI 2022/1256) suggests that they will not prevent the continued fall in the number of overseas teachers qualifying to work in England over recent years (other than in 2021–22); and that the Regulations therefore demonstrate that His Majesty's Government lack a coherent, holistic plan for the teaching workforce in England. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 24th Report*

**Baroness Merron** to move that this House regrets that the Department of Health and Social Care's explanatory memorandum for the Communications Act 2003 (Restrictions on the Advertising of Less Healthy Food) (Effective Date) (Amendment) Regulations 2022 (SI 2022/1311) fails to provide sufficient information to gain a clear understanding of the instrument's policy objective and intended implementation. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 24th Report*

**Lord Dodds of Duncairn** to move that an Humble Address be presented to His Majesty praying that the Official Controls (Northern Ireland) Regulations 2023 (SI 2023/17), made on 11 January and laid before the House on 12 January, be annulled because (1) they are injurious to the integrity of the United Kingdom's Internal Market given that the Protocol on Ireland/Northern Ireland has not been replaced by new arrangements, (2) they thereby violate the New Decade, New Approach agreement, by giving effect to a customs and sanitary and phytosanitary border that divides the UK and treats Northern Ireland like a foreign country, (3) they seek to protect the integrity of a legal regime resulting from the imposition of laws in 300 different areas by a polity of which Northern Ireland is not a part and in which it has no representation, (4) they protect the integrity of a legal regime that undermines the 1998 Belfast Agreement, as amended by the St Andrews Agreement, which affords the people of Northern Ireland the right "to pursue democratically national and political aspirations", given that the people of Northern Ireland can no longer stand for election to pursue democratically national and political aspirations in relation to the said 300 areas of law. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 26th Report*

After debate, the amendment was withdrawn. Then the original motion was agreed to.
