Baroness Brinton to move that this House regrets that the Government has failed to respond adequately to concerns over provisions in the draft Anaesthesia Associates and Physician Associates Order 2024 about (1) the regulation of ‘physician associates’ and ‘anaesthesia associates’ by the General Medical Council instead of another regulator, and (2) the use of these professional titles, which risks confusion for patients over the difference between doctors and other healthcare professionals, with potential implications for patient safety. *Special attention drawn to the instrument by the Secondary Legislation Scrutiny Committee, 10th Report*

Baroness Hayman of Ullock to move that this House regrets that the draft Animal Welfare (Primate Licences) (England) Regulations 2023 seek to implement through secondary legislation proposals that were previously contained in primary legislation; notes that they do not ban keeping primates as pets, and that they lack a grandfather clause; and calls upon His Majesty's Government to put in place policies that appropriately support the rehoming of surrendered primates.
